

Catch the Marina at Full Sail

Improvements are coming to Marina del Rey, by land and sea

Marina del Rey is a multifaceted seaside community offering boating and recreational activities, restaurants, parks, shopping centers, and other amenities. And soon, it will undergo a number of exciting projects set to complement this world-class marina with contemporary upgrades and enhancements. For boaters, residents, visitors and business owners alike, the improvements listed below will strengthen Marina del Rey as a dynamic and thriving coastal destination, providing enjoyment and recreational opportunities for years to come.

For more information on improvement projects, we invite you to visit the Department of Beaches and Harbors website, MarinadelRey.lacounty.gov, or follow us at [Facebook.com/lacdbh](https://www.facebook.com/lacdbh) or [Twitter.com/lacdbh](https://twitter.com/lacdbh).
